Wee Wee Luv Mini Pigs Terms & Conditions of Sale

By consenting to these terms and conditions, you, the buyer are declaring your age to be 18 years or older.

Piglet Deposit

** To reserve a micro mini piglet, the customer shall pay to the breeder, upon execution of this agreement, **a non-refundable reservation fee in the amount of \$200.** Customer understands and agrees that Breeder will not sell this piglet to another customer during the time that the piglet is on hold. The final payment must be made prior to the piglets last veterinary check-up. If final payment is not received prior to the veterinary visit and agreeable arrangements have not been made, the piglet will be re-listed for sale and the buyer will default their initial deposit. In the event that the customer changes their mind on the sale of the chosen piglet, for any reason, or fails to respond to correspondence about said piglet for an extended amount of time, the Breeder shall suffer losses, that are difficult to ascertain. As such, Customer agrees that, in the event of cancellation by customer, such \$200 shall be forfeited by Client and paid to the Breeder as liquidated damages and not as a penalty. It covers the time that the Breeder has kept the piglet off the market from other prospective buyers and covers all vet fees that are for specific travel documents issued to individual piglets and purchaser. Customer and Breeder agree that such amount is reasonable at the time the deposit is received.

The deposit can be placed on any litter of your choosing at the time of payment. If the buyer wishes to move their deposit to another future litter, this can be done, however, they will be put at the bottom of the current deposit list for said litter. Once the piglet is chosen and deposited upon the piglet selection is solidified, and the buyer cannot change to another piglet. Once the piglet is chosen and deposited upon, payment dates will be arranged.

The piglet must be paid in full prior to their vet visit on the 6th week of life.

A scheduled payment plan can be arranged

Size disclaimer, our babies will mature to 15lbs. to 50lbs and 12 to 17 inches tall

Piglet Contract

The buyer further agrees to the following conditions:

The Buyer agrees to provide a life-long commitment, comfortable environment, prompt medical attention, proper grooming and responsible care. This includes providing the mini pig with proper nutrition, which consists of a mini pig food, fruits, vegetables, a few treats, and fresh water available at all times. The Buyer promises to provide a safe environment for the mini pig, and never allow the mini pig to roam freely without proper fencing or supervision.

The Seller guarantees this mini pig to be of sound health and temperament at the time of this sale. Should the mini pig be determined to be in ill health, the cause of which the Seller is clearly to blame, the mini pig may, upon a signed written diagnosis from a licensed veterinarian, within 72 hours of purchase, be exchanged for a new mini pig. The Seller assumes absolutely no responsibility for fees associated with caring for the mini pig. No other guarantees are given.

It is understood by the Purchaser that this piglet/pig described in this contract is being sold as a pet and is not to be used for breeding. Permanent ownership of this pig is contingent upon your compliance with this Addendum. The Buyer agrees to have female piglet spayed at the age recommended by his or her veterinarian (usually 3 to 4 months of age.) **Buyer further agrees to provide Wee Wee Luv Mini Pigs with proof of spay by the 5th month of the piglet.** This is required to be provided in writing by a licensed veterinarian that we may verify. In the event that the pigs health does not allow this agreement to be honored, Wee Wee Luv Mini Pigs must be provided with a statement from your veterinarian that this pig is not yet in physical or emotional condition for surgery. Based upon the veterinarians evaluation of this pig the (purchaser) will contact the veterinarian and establish the earliest date that the procedure can be preformed. (PURCHASER) will notify the BREEDER of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced. This is responsibility of the PURCHASER, not the veterinarian, to ensure that Wee Wee Luv Mini Pigs received verification that they surgery has been preformed. If the buyer fails to spay the female pig ownership of the piglet defaults back to Wee Wee Luv Mini Pigs. We require spays because any female being sold is being sold for the sole purpose of being a pet. We do follow through following up with you. If there are specific circumstances that make you unable to spay your pet by the 5th month then contact us and we will work with you on a case by case basis. **This is nonnegotiable part of our contract, as this is a pet only contract.**

If at any time the Buyer can no longer or does not want to retain possession of this mini pig, the Seller will resume full ownership of the mini pig. It is the buyers responsibility to contact Wee Wee Luv Mini Pigs so that the pig can either be returned to the Seller or Re-homed. The decision to have the pig returned or re-homed is at the discretion of Wee Wee Luv Mini Pigs and not they buyer. There will be no refund for the pig, but the Seller will take charge of the pig and either keep or re-home the pig. **Under no circumstances will this mini pig be sold, leased, traded or given away to any pet shop, research laboratory, animal shelter, or similar facility.**

The Buyer agrees to contact the Seller immediately if any questions or concerns arise about the mini pig, such as housing, diet, or health. The buyer agrees to keep the Seller informed of any significant health issues with his or her mini pig. This provides the Breeder/Seller with an opportunity to follow up on the mini pig and gives the Breeder/Seller important feedback and information on the health of our mini pigs for future generations.

Right To Reserve Business

*** We reserve the right to refuse business to anyone for any reason at our discretion.** Should we feel that an animal is not a good fit or someone refuses to purchase items necessary to the animal survival, we reserve the right to refuse the sale. We do not take this decision lightly, nor do we take our responsibility to the animals we care for and place lightly. With over 5 million companion animals ending up in shelters nationwide each year, we are very careful to only place our animals in secure, forever homes.
